MLA Not Quitting On Road Issue

Has No Intention Of Resigning, Says Grouard Member

Social Credit MLA for Grouard, Dr. J. B. T. Wood, yesterday emphatically denied resigning his legislative seat in protest of the routing of a short-cut highway to the Peace River district.

"I haven't resigned, nor do I intend to resign," Dr. Wood told the Bulletin.

Premier E. C. Manning today confirmed Dr. Wood's statement that the Grouard member had not resigned.

Of a newspaper report that he was "ready to quit is a road row," Dr. Wood said, "They have built up a name and read into it their own conclusions."

The report was not carried in the Bulletin.

He said he personally favors routing of the Whitecourt cut-off highway through Triangle and McLennan, rather than the Whitecourt-Valleyview route which the Alberta cabinet approved last week. The cabinet decision was made after a delegation from Peace River boards of trade asking improvement to the existing highway as well as a short-cut route had met the cabinet.

HAD FULL HEARING

When we were given a full hearing by the cabinet, they made their final decision on the basis of engineering reports, decided on the Whitecourt-Valleyview route, and as far as I am concerned that is the end of the matter," he said.

"I would certainly be flattered myself if I believed that any such action as resigning my seat would result in re-locating of the highway," Dr. Wood added.

Dr. Wood also denied that he was "dissatisfied with government policy in regard to school matters."

QUIT SCHOOL BOARD

He was chairman of the board of the High Prairie school division in which two schools, at Brunson and Landry, were moved five miles to church property at Jean Cove, without authority of school officials.

After police had them returned on orders of the provincial government, both were burned to the ground. An investigation of suspected arson has not been completed.

Dr. Wood resigned his position as board chairman at the annual meeting of the division Dec. 13.

"My resignation from the board had nothing to do with the matter of the schools; I resigned because of pressure of business and because I feel such positions should not be held indefinitely by one person."

Dr. Wood, elected to the legislature in his initial term in the 1948 election, operates a large medical clinic at High Prairie.

Leading Prelate, Foe of Nazism Dies In Berlin

BERLIN, Dec. 21.—(AP)—Karl Cardinal von Preysing, 79, leading Roman Catholic prelate for Berlin and East Germany, died tonight.

The death of the cardinal, an outspoken foe of the Nazis during the Hitler regime and later of the Russians, reduces the membership in the Roman Catholic Church's Sacred College of Cardinals to 82. At strength it has 10 members.

Cardinal von Preysing, bishop of Berlin, was a constant target of communist attack, and he continued attacked strongly.

Hungnam Beachhead Quiet After Big Blows

By Olan Clements

TOKYO, Dec. 21.—(AP)—The Hungnam beachhead lay quiet today after allied land-sea-air attacks had mowed down and rolled back the Communists' most menacing attack on the perimeter.

Frozen bodies of Chinese and white-robed Korean Reds littered the snow-covered snow fields of the United Nations defense ring where the attack was made.

Communist survivors apparently were numberless to the aid of the "round-the-clock" bombardment by allied warships, planes and land artillery.

Field dispatches reported the shattered survivors huddled back to the allied forces holding their last drive at northern Korea around Hungnam on the sea of Japan.

\$120,000 Fire Loss At Ryley

4 Business Houses Destroyed In Blaze

By Barry Broadfoot and Maury Soward

A town phone message calling for water sent by an alert CNR telegrapher to the nearby town of Cosmo, Wednesday night saved the town of Ryley from almost complete destruction by fire.

The blaze, estimated to have caused \$250,000 damage, completely destroyed four business establishments on the town's Main Street, threatened a lumber yard and restaurant and left seven persons homeless.

One man, Bill Ratke, an employee of Thygeson and Prescott's Garage, received flash burns and minor injuries in the blaze. His condition in Telford Municipal Hospital is "good."

Ratke, interviewed in Telford Municipal Hospital, stated the fire started in the rear of the garage apparently from fumes of spilled kerosene mingling with those from an adjacent gas line and ignited by a burning auto.

Townpeople credited two persons—the telegraph operator and a 17-year-old switchboard operator—with saving their town.

When the fire broke out in Thygeson and Prescott's Garage, Gary Perry, Cosmo, called the Ryley station. When the fire broke out in Thygeson and Prescott's Garage, Gary Perry, Cosmo, called the Ryley station.

WATER RUNS OUT

Because of the town and the pump, water fire department had pumped the three reservoirs, the fire was out of control. The fire was out of control. The fire was out of control.

A crew at Cosmo, going off duty, hooked up a 1,500 gallon tank car and a caboose and steamed the distance in 28 minutes—at almost 50 miles per hour.

Meanwhile, telephone operator Louise Wickham was summing up by phone. From a ring of nearby towns, fire-fighting units rushed to the stricken town to offer aid.

Units arrived within an hour from Cosmo. The fire was out of control. The fire was out of control.

Four Ryley Buildings Are Razed

SHROUDED IN SMOKE, heavy bulldozer heaves burning rubble into scarred pit left by razed garage to halt spread of flames onto adjoining buildings on Main Street of Ryley. Five firefighting units from neighboring towns and a 15,000-gallon tank car rushed from Cosmo plus hundreds of volunteer fire fighters confined the blaze to four buildings. Damage was set at \$250,000. Fire, breaking out around 9:30 p.m., was only extinguished at 11 p.m. A providential shift in wind prevented flames from spreading east, engulfing the town's only hotel.

Further Boost In Freight Rates Sought by Railways

OTTAWA, Dec. 21.—(CP)—The railways applied today for an immediate general freight-rate increase of five per cent and a deferred increase of an unspecified amount.

The proposed five-per-cent increase, estimated to yield the carriers \$17,500,000 a year, is based chiefly on this week's final settlement of their wage-hours dispute with 124,000 employees, which added \$20,800,000 a year to their wage bill.

Parliament granted a four-cent increase last September estimated to cost the railways \$17,500,000, while the additional three-cent an hour granted by Mr. Justice Lockwood will add an estimated \$12,000,000 of the year in the northern hemisphere.

With the general increase, the railways also asked the Board of Transport Commissioners for an immediate 10-cents-a-ton increase in coal and coke rates, which have been dealt with on a case-by-case basis in post-war rate hikes.

The delayed action increase was used to offset the cost of the increased work week going into effect next June 1, and the railways asked it also be made effective on that date.

CONTINUING MILD

The forecast for tonight and tomorrow is "Cloudy, continuing mild, winds west at 15 mph. A record-breaking cold spell invaded this city on Dec. 21, 1950, and lasted until Jan. 31, 1951.

But the weatherman appeared confident today that the current cold spell would last at least until after Christmas.

A Chinook-like wave of warm air which moved in from the west yesterday kept the overnight low at 11 above.

Premier Hits At Rials' Plan

Premier E. C. Manning of Alberta said today the railway department to seek a further five per cent boost in freight rates should not be considered at this time.

Premier Manning said such action should be deferred until the royal commission on freight rates makes its report.

The commission would rule on the charge that the present rate structure discriminates against the west and the maritime provinces, the pioneer said.

Alberta's economy would be "seriously affected" by further increase, he added. He said farm machinery already was "out of sight" in the hands of the farmer and the income of the man of the land was being held down by a consequent loss of income.

The premier said the general commissioning public also was being hurt by the present effect of high freight rates.

"I've presented this thing so long it's hard to find words," the premier concluded.

Preparedness Plan Looms

OTTAWA, Dec. 21.—(CP)—The federal cabinet went into session today to consider a greater Canadian preparedness program which is expected to reach the announcement stage a week from now.

A date for the opening of the 1951 session of parliament also is likely to be considered, with a probable announcement a week from now.

The opening date may be in January rather than February, as previously planned.

Today's meeting is not expected to reach any concrete decision or lead to any immediate announcement.

But it is expected to be a sort of "groundwork" session which Prime Minister St. Laurent and his ministers will whip together the government's program in several fields, with the emphasis on defence, into shape.

Peace Prizes Of Josef Stalin Not Announced

MOSCOW, Dec. 21.—(AP)—The Russian press appeared today to give no indication of the peace prizes which Stalin's list without any announcement of the Stalin peace prizes, which were to be awarded in honor of the occasion.

By decree of the presidium of the supreme Soviet, issued a year ago on Stalin's 70th birthday, these awards were supposed to be made today for the first time. Prizes of 100,000 rubles (\$25,000) were to be given to five to 10 persons representing the nations who had done most toward advancing peace.

Underground Parking Plan Over First Hurdle

A proposal by a group of Edmonton business men to build a \$400,000, 130-car underground parking garage just east of Macdonald hotel extension on Jasper avenue, was approved in general principle last night by city council.

It then went back to city commissioners for further study. The city has agreed to provide for the parking. Terms suggested are a 25-year lease at \$1 a year, with the city retaining title to the property.

The proposed parking area is located on the area immediately east of the hotel, which the city has agreed to provide for the parking. Terms suggested are a 25-year lease at \$1 a year, with the city retaining title to the property.

3 of Family Die In Mishap

MISSISSAUGA, B.C.—(CP)—An automobile overturned in a water-filled ditch last night after racing off the highway.

Three members of a Harrison, B.C. family, including a 10-year-old boy, were killed.

The driver, Victor Mack, 38, the father, who escaped with a shaking up, was killed when the car rolled over in a ditch of water between Hattie and Kildine in the Fraser valley, where the car was racing off the highway.

Victor, 38, and his 30-year-old wife, Margaret, were killed.

The children's bodies were found in the car. The woman's body, however, was recovered when police dragged the ditch.

16-Year-Old Shot by Sniper

PHILADELPHIA, Dec. 21.—(AP)—A 16-year-old boy was shot last night by a mysterious sniper on the northern edge of Philadelphia.

The boy was the eighth victim of an unknown assassin in the area in six weeks.

Earlier today, a Philadelphia was shot and injured by a sniper. Police do not believe the shooting had any connection with the city's "sniper" case.

The wounded boy, 16, was shot in the chest by a sniper. He is now in a serious condition in a hospital.

Pyramid Club Tumbles Into Ruins Here

Edmonton's version of the famous "Pyramid Club" was crumbling into ruin today.

The get-rich-quick pastime was dealt a stern blow when Mrs. M. Robinson, Saskatoon woman, who started the "Edmonton Meet Your Neighbor Club" was in setting the fire, Magistrate in police court to a charge of conducting a lottery.

Three months' term of imprisonment was set by Magistrate S. G. Main in default of the fine.

The 500 fine on fire was the kind to be tried in Alberta, court officials said.

SECOND TIME

Today's appearance in police court here was the second time for the smartly-dressed Saskatoon woman, she pleaded not guilty. Dec. 11, after surrendering voluntarily to city police.

In setting the fire, Magistrate Main remarked that it would have been so difficult to deter others from joining such clubs.

"If people think they can make a few hundred dollars and only pay minimum fine," he said, "they might think it was worth taking a chance."

CHAIN LETTER TYPE

Earlier court had been told by Mrs. Robinson's counsel that she had collected "around \$500" as her pay-off in the club which operates on the chain letter principle.

"The club is still operating," Detective Ross Campbell stated.

Snow Deluge Hits House After City Plough Passes

Deluge of snow from a city street clearing out battered the 981 street home of Mrs. V. Maher early this morning.

One window of the house was broken, and a number of Christmas trees offered for sale in front of the house were swept in front of the force of the stream of snow.

Drifts were piled in front of Mrs. Maher's house, and had to be dug out before the front door could be opened.

Fire Loss at Ryley Estimated at \$250,000

Vegreville, Camrose, Viking, Tofield and Holden. Experienced men from Edmonton were also on the job.

In the town itself, all available men turned out to fight the fire. RCMP designated men as deputies to guard possessions and store goods piled in the street.

LOOTING DENIED
Reports that there had been several cases of looting were denied by police investigators. They said that salvage workers had come across a case of lemon extract, about some of it and later broke a window in high spirits. A truckload of goods, earlier reported to have been stolen, had been sent to Vegreville by the owners for safe-keeping, police said.

RCMP said that no arrests had been made or expected.

Women of the town prepared great quantities of hot coffee and served sandwiches to the firefighters. Bill Reiske, only injured man, attempted to make his way out the rear door but intense heat and flames drove him back. He tried the front door and managed to crawl out on his hands and knees.

Treated for flash burns to the hands, he was rushed to Tofield Hospital.

Buildings destroyed were the garage containing two trucks, two cars, a panel truck and three farm trucks. Adjacent buildings destroyed were Evans Meat Market, Hardware and a Red and White store.

Only a strong prevailing wind beating into the face of the fire saved an adjacent lumber yard and a restaurant.

Water damage to the restaurant was heavy. Firemen doused the inside and outside of the cafe to prevent the flames from moving down the street.

The seven people homeless following the blaze are Mr. and Mrs. John Chelminski, their two children, who lived behind the burnt-out meat market and Mr. and Mrs. John Kovacs, and their baby son, who lived above the hardware store.

Mr. Chelminski will be sheltered in the town's only hotel operated by the town's fire department. He had just opened his hotel as a relief and emergency aid centre for fire victims and stricken families.

DISTRICT RALLIED
From every point of the compass, volunteers poured into the little town—60 miles southeast of Edmonton—to render assistance. Several hundred came from nearby Hilda and Tofield. A curling bonspiel at Holden was cancelled to allow citizens and spectators to race to the scene.

Two incidents almost foiled the successful efforts of firefighters quelling the blaze.

At 8:15 p.m., water being pumped from the standing water tank, the yard from the fire scene was cut off for 15 minutes when a main line westbound train approached and passed over the spot where the single vital line was laid.

Hall firefighters then dug a trench beneath the main line, shoving the hose through the gap and so preventing any further stoppage.

HOSE BURSTS
A second near-disaster occurred when the water connection from the water tank to the nearest connecting hose link burst. This was quickly repaired.

Tofield and Holden fire-fighting units arrived first, each bringing 500 gallons of water. By 7 p.m. these two units, plus the Ryley fire department, had drained their tanks and their reserve cisterns.

The pumps were out of water for 15 minutes and during that time, the tank trucks made several trips to the water tank at Shantz, five miles away, for additional water.

Hungnam Quiet After Big Blows

(Continued from Page 1)

Quiet, also was reported on the western Korean front.

RED LOSSES HEAVY
Gen. MacArthur's headquarters reported meanwhile that the Chinese had suffered heavy losses—a ratio of 10 to 1—during the fiercest days of the UN retreat from north of Korea, Nov. 27 to Dec. 12.

The United Nations commander reported UN casualties in the Nov. 27-Dec. 12 period of 17,000, not including those suffered by Republic of Korea forces. All of the Allied killed, wounded or missing during the two-week period were American except 1,811 from other UN forces.

Before that period, the defense department in Washington had listed American casualties in Korea at 15,000 through Nov. 24, including 3,500 dead.

REDS REORGANIZING
The Chinese have been around the Hungnam beachhead in great force for days, but it was apparent today that the battling forces of 2.5 divisions and 10th Corps Infantry farther north had badly crippled an estimated 10 Communist divisions.

Christmas Carolers End 3-Day Festival Tonight

Rotary Club's Christmas carol festival, highlighted by a variety of activities in the city yesterday.

Adult choirs representing several city churches and civic groups gave a highly satisfying program on the third evening of the festival in the McLeod Church.

Final program in the series will take place at the church tonight, starting at 7:45 p.m.

High points in last night's program were: "Cradle Song" by the Virgin, composed by Vernon Harford and sung by Edmonton Carillon Singers; Handel's "Hallelujah Chorus" of the Lord, rendered by Knox United Church Choir; Resonance in Landladies, rendered by St. Joseph's Cathedral choir.

Edmonton Welsh Male Choir and the Lyric Musical and Dramatic Club, the latter an all-Island group, also sang on the program.

OTHER EVENTS
Spect of Christmas also prevailed at many social events convened throughout the city.

At Salvation Army Eventide House, a Christmas party was given for the folks by Grade 5 pupils of Parkside school, directed by their teacher, Miss A. V. Smith. The children, entertained with apple and gave away candy and oranges.

Northern Alberta Laid Underwriters Association gave a special Christmas Luncheon at the Corona hotel today.

Miss Palmer spoke on "The Christmas Message," and Christmas carols were sung by Dick Jones.

The Ladies, God Bless 'Em

Times change. Change? Heck, they have changed. The females—ladies, gals, cuties, label 'em what you will—have moved in on the men every which way.

That's why for today we're turning this alleged column over to a couple of feminine readers. No, they aren't going to write it—exactly. But they have provided the ammunition—in the form of a couple of clippings from other blats.

First off we have Mrs. Earl Samia. She's the wife of the prominent local sportsman. Her son, Phil, chases pucks for Cleveland Browns. On the side Phil's taking university courses. He wants to move to fall back on than just his memories when the hockey bell tolls for him.

Mrs. Samia sends along an item from the Cleveland Plain Dealer.

It contains more than a hint that before too long there might be a second major hockey league operating in the east, one powerful enough to challenge the National Hockey league in World Series style.

Says the Plain Dealer: "Collapse of the New Haven Eagles brings closer to realization a long discussed reorganization of the league (American) that might come to pass as early as next season.

"It might precipitate a complete separation of the two league divisions into two leagues, with the formation of the western group into a most promising new circuit.

"The Midwestern league would include Cleveland, Buffalo, Pittsburgh, Cincinnati, Indianapolis and St. Louis. It would attempt to reach major league status and eventually challenge the National league for the Stanley Cup and the world title.

"Of these six Midwestern clubs, all have large modern rinks except Pittsburgh. This plan of a compact western league has strong backing for at least six years."

So much for the latest talk about a new major hockey league.

Now for a gender at what Mrs. T. W. Smallwood sends along in the way of news.

She includes a note to go with the clipping. As she says: "After hearing and reading so much about the Grey Cup game, all western flavored, I got a real kick from the enclosed clipping with the other (eastern) point of view. "This clipping comes from a small weekly paper . . . circulated in hundreds of small towns in Ontario and Quebec."

And here are a number of excerpts. "We doubt that the mud of Varsity Field left anything like as bad a taste as did the remarks of certain disgruntled western officials and hangers-on.

"Mr. Les Lear, of the defunct Calgary Stampede, was especially hard to take. "He gave the impression that he had never condescended to do any playing in surroundings less glamorous than the California Rose Bowl and that he was doing us poor benighted eastern heathens a rare favor by even visiting such a dirty and poorly-managed little dump.

"As a matter of fact, on his personal 1950 showing—and that of his team—Mr. Lear was dead lucky to even be in Varsity Stadium that afternoon without paying full admission fee (Editor's note: "OUCH!")

"And when all is said and done, what's all the shooting about in regard to this matter of good, bad or indifferent playing conditions?"

"A thoroughbred of real championship class can run on any kind of track.

" . . . All these walls and moans have set a lot of fans to thinking about, and discussing, just what our game of football has developed into.

"Up to a few years ago, in the Big Four—and to a lesser extent in the other leagues—we had the privilege of watching THE BEST CANADIAN FOOTBALL THERE WAS.

"What they are peddling us nowadays is THIRD GRADE AMERICAN FOOTBALL.

"They come here—those (American) players and coaches—simply because they can do better financially, they could in our own country.

"If they don't like the conditions they find here, let them go back to 'God's country'. Or forever hold their peace."

Stettler Imperials

Down Ponoka 5-4

PONOKA, Dec. 21—Stettler Imperials down Ponoka Stampede 5-4 here last night in a Central Alberta Hockey league game.

Impe were sparked by Pityr, who turned hockey's three-goal shot to snare most of the lime-light. Other marksmen were Paul, who scored twice, and Dave Fuller, who gave Stampede an early lead. Grant, Dave Shantz and Bill Jones netted for the Imperials.

What proved to be the winning goal came from Pityr's stick at 1:33 of the third frame.

LINEUPS: Ponoka—Mikler, R. Jones, Grant, B. Jones, McLeod, D. Shantz, Jones, Kaut, L. Shantz, Smith, T. Pityr, Fuller, Pettigrew, Kramer. Stettler—Fisher, Horne, Wilson.

JOE CULMONE STILL ON GROUND

MIAMI, Fla., Dec. 21—(AP)—Jockey Joe Culmone gave an all-out effort in the 1950 year-end stakes race to beat Walter Miller's racing record of 208 set in 1950.

"I'll have to settle for the National (U.S.) title this year and let it go at that," the 38-year-old Sicilian sensation said sadly.

Culmone watched from the sidelines again at Tropical Park, his 37th winners placing him well ahead of his nearest competitor, Jockey Willie Shoemaker, who rode his 36th winner at the Fair Grounds, New Orleans, yesterday.

TRAPPED in grip of Brooklyn St. John's arms as he attempts to go up court football style in Kansas' Jerry Waugh. Making the stop at Madison Square Garden was Ronnie MacGillivray, left, and Al McGuire. Kansas won 52-51. Total of 65 fouls were called.

RANGERS TIE

Leafs Slaughter Canadiens, 6-1

TORONTO, Dec. 21—(CP)—Toronto Maple Leafs stormed to a 6-1 victory over Montreal Canadiens in Toronto last night to extend their National Hockey league lead to three points over the idle Detroit Red Wings.

In the top's other contest, Boston Bruins came from behind to tie with New York Rangers in New York.

A crowd of 15,639 was at Maple Leaf Gardens to see the Leafs' resounding victory.

BENTLEY SCORED PAIR Max Bentley, the league's leading point-percentage, scored two Toronto goals. Another earlier salvo was by Fern Flaman, scoring his first goal for the Leafs since he was traded by Boston, Ted Sison, Cal Gardner and Harry Watson.

Maureen Richard counted Canadiens, tally.

Referee George Grahnel handed out 18 penalties—including four last period majors for fighting—in the bustling contest.

A donnybrook broke out in the closing minutes of the game. Calum Mackay tangled with Leafs' Harry Watson near the centre ice strip and the two officials broke it up before for about four minutes before they were separated.

TWO MAIN EVENTS A few feet away Flaman and Bill Tommy Masterson, rookie Montreal defenseman, put on a similar battle but officials broke it up before they were able to stop the Mackay-Watson main bout.

Defenceman Bill Quackenbush's goal at 17:40 of the third period gave the Bruins their tie. It was the Rangers' 13th tie in 30 games.

The tie, before a Father-and-Son Night Madison Square Garden crowd of 7,841, left Rangers in the cellar, still one point back of the fifth-place Bruins. Bill Einioki scored twice for the Bruins.

FIRST PERIOD: Toronto, Bentley (Brian, Emerson) 7:30; Montreal, Richard (Johnson, Lath) 12:14. Penalties—Harvey 17; Masterson 20; Janda.

THIRD PERIOD: Toronto, Gardner (Baskett, Watson) 8:40; Toronto, Bentley (Lewicki, Thomson) 19:19. Toronto, Watson (Gardner) 19:30. Penalties—Morton, Curry, Harvey (Baskett), (minor), and major (minor).

GOALKEEPERS: Watson (major), MacKay (minor).

BOSTON & RANGERS A First Period: Boston, Dumart (Richard, Schmidt) 6:10; Boston, Einioki (Schmidt, Lowe) 8:30; New York, O'Sullivan (Edmonds, Sinclair) 17:25. Toronto, Lewicki (Thompson) 19:30. Penalties—Kyla.

SHOPPING GUIDE

Christmas Tree Care Follows Seven Rules

By Bea Thrifty

Annual back-to-my-childhood nostalgia brings glossy colored pictures of a "real old-fashioned" Christmas with burning candles on the trees and garlands of sugar cookies instead of fragile baubles for decoration. Gingerbread men served as Santa Claus and Yuletide gifts were true messages of affection and cheer rather than exchange of commercial extravagances.

But I will say this for the modern Christmas tree with its sophisticated glitter... it's a whole of a lot safer than those of sweet yesterday.

Good girls of Canadian Association of Consumers have issued a nation-wide bulletin with safety rules for Christmas tree care and I just thought there would be a suitable time to pass them your way.

And so I quote CAC girls:

"A Christmas-tree is a necessary item at this time of the year—but make certain it doesn't become a menace.

1. Don't bring the tree into the house until a few days before Christmas—and get it outside afterwards as soon as possible.
2. Stand the tree in water and keep it moist with supports.
3. Stand tree as far as possible from radiators and fireplaces.
4. Don't connect too many strings of lights to one circuit.
5. Don't let electric bulbs touch branches of tree.
6. Don't allow the children to play near the tree with electrical toys or with clockwork toys which spark.
7. Turn off the tree lights when you leave the room. Never leave tree lights on when you go out."

But on again with this last-minute business of last-minute shopping... and a word about pleasers for teenage sister's Christmas shopping.

At this age when life is filled with romance and exalted ideas of what life holds in store... gifts of a thousand natures are received with overwhelming enthusiasm.

But a perky Peter Pan collar daisy of corduroy folded into the toe of sister's sock would put spark in her eyes and sweet words of gratitude in her young mouth.

She'd like a little coin purse, zipped and divided in compartments for lipstick, change, car tickets and buskey. These are available at prices starting at 50¢ working through the scale.

If she's thinking ahead of time (first formal ball when Valentine's Day comes through... buy her a double-duty velvet bag to use as an evening bag... or as a tea-time pretty.

Bobby-pin holders, wave-crimpers, set of combs, silver barettes, velvet ribbon head-band, tiny half-hat of plaid or corduroy, gay-colored scarf, plastic hosiery protectors, closet accessories, junior sewing and mending kit she may leave in her locker or desk at school, first pair of ear-rings for extra-special dress-up occasions... each and everyone of these little bits of joy will please her ladyship.

Color Turkey Stuffing, Too

If you want to add a little color to your stuffing this season, why not try this recipe for cranberry stuffing. You need one cup cranberries, one third cup sugar, two tablespoons fruit juice, four cups medium dry bread crumbs, one and a half teaspoons of salt, one half teaspoon of poultry seasoning, one-quarter cup dried celery and one-quarter cup of chopped parsley. Cut the one cup of cranberries in quarters and mix with the one-half cup of oil of butter and two tablespoons of fruit juice. Allow to stand until the sugar is dissolved. Mix the four cups of medium dry bread crumbs, one and a half teaspoons of salt, and the half teaspoon of poultry seasoning. Add one quarter cup of dried celery and the one tablespoon of chopped parsley. Combine with the cranberry mixture and blend well. This recipe makes about five cups of stuffing, enough for a medium sized chicken.

YOUR BABY AND MINE

Why Threaten Child With Punishment from Daddy

By Myrtle Meyer Eldred

No two parents think exactly alike on the subject of punishment. In general, fathers set upon impulse related to the particular situation as it arises. Mothers, in the main, try to take the long view. Both being grownups, they ought to be able to compromise and not allow their different viewpoints to work a hardship on the child, or alienate them. One situation—there is room only for one—when the father is a logger-head, is whether the father should punish the child for misbehavior which takes place when he is not at home. You know of many mothers who hold Daddy—and what he will do—as a threat over the head of the child. "Just wait until Daddy hears about this," or, "If you do, I'll tell Daddy and he will give you a big spanking."

This, to my notion, is entirely unfair to Daddy. His relationship with the child is soured when he stands chiefly for the Big Stick. Also, all emotion about a situation may have evaporated by the time Daddy comes home. Potatoes will not turn black when boiled if vinegar is added to the water.

Because it's bound to happen every year—don't let choosing a last minute gift get you down. You know we have a sparkling variety of gifts for everyone at prices to meet every Christmas budget. You won't be stumped for the right answer when you select your gifts right up to the last hour on Saturday night at J. A. WERNER HARDWARE, one block east of the Post Office on the Market Square.

Good Features May Be Exaggerated To Hide Figure Faults

When you learn to dress to play up your good points and minimize your bad ones, you've acquired valuable knowledge. Keeping in mind some basic principles makes this task easier, say experts. The first of these principles, applicable to all women, is not to play up a weak point by dramatizing a good one. Thus, if you have pretty feet which you thrust into high-heeled, delicate sandals, fine — unless you've added 20 pounds in the last 10 years. Then you'll look top-heavy. A shoe with a medium heel would make you far more attractive. It's a good idea to remember that

an unbroken line always looks longer. Therefore, two-piece suits or dresses, contrasting colors or wide belts cut that line and add breadth. If you want to appear slender, dress for height. The taller you appear to be, the more slender you seem. Heavy, or stiff, fabrics add weight. Women with excess pounds should avoid tweeds, metallics, brocades and satin. A light color makes you look larger, too. This applies to shoes and gloves as well as to dresses, suits and coats. Only women with perfect figures can afford to wear knitted dresses, jerseys, or clinging chiffons. These are all figure-revealing fabrics. Last, but important, is the rule which says that the full view is the right one. When you look in the mirror,

Helen Jean Cormie Wed To William Robert Esau

In a classic gown, worn by other brides of her family, Miss Helen Jean Cormie exchanged vows in Robertson United church yesterday with William Robert Esau.

Both of Edmonton families, bride is the daughter of Mr. and Mrs. George M. Cormie and her husband is the son of Mr. and Mrs. William Esau.

Rev. Angus MacQueen officiated at the double ring ceremony assisted by Dr. D. C. Ramsey, in which the bride was given by her father.

CARRIES GARDENIAS

Warm shaded ivory gown was fashioned of heavy allover satin and Belgian lace. Self-covered buttons fastened the fitted bodice which featured lace and net yoke with lace applique all over the sleeves.

Satin scroll-work embroidered the swirling hemline of her full skirt. Her floor-length veil mistled from a hand-made coronet.

Cluster of gardenias mingled with Johanna Hill roses and white hydrangeas to form her crescent bouquet.

IN VELVET

In emerald green velvet Mrs. William Esau was her sister's matron of honor. Bridesmaids Miss Jean Rogers and Miss Marguerite Manning were in Old Gold velvet. All three wore tiny bouquets to match their gowns and carried crescent bouquets of bronze and yellow chrysanthemums.

Miss Lynn Coult, bride's niece, was junior bridesmaid in emerald green velvet. On her head she wore a garland of lawn and yellow chrysanthemums matching her miniature bouquet.

Donald Geritz was best man. Usherings guests to flower mark of pews were Glenn Gray, Douglas Lemmon, Donald Cormie and William Esau.

Reception followed in Macdonald hotel drawing room where Mrs. Esau received. She wore mayan velvet ensemble with matching

Guest Exchange To Develop Friendship

TORONTO — (CP) — One hundred British and Canadian girls will exchange visits this summer as guests of W. Garfield Weston, the Canadian-born industrialist announced recently. Purpose of the two tours is to "develop closer understanding and friendship between Canada and Britain."

The goodwill program began two years ago with a tour of Canada for 50 British boys. Last summer 50 Canadian boys visited Britain while 50 British boys toured Canada.

Mr. Weston said the 50 Canadian girls will sail from Montreal for Liverpool July 15, returning in late August. Fifty British girls will tour central Canada during August. In Canada girls will be chosen from all 10 provinces and the Yukon and Northwest Territories.

Social Whirl

HOME FROM her studies in Toronto is Miss Wessanne Anderson, daughter of Dr. and Mrs. Roy Anderson. Miss Anderson will spend Christmas holidays here.

Mr. and Mrs. Donald Loughhead of Calgary will be with the Bradleys for Christmas too. Mrs. Loughhead is the former Doreen Bradley.

"ROUND THE WORLD" travels are over for a while for Bill Bradley who is expected home for Christmas, and for some time after the holiday.

SAYING "Goodbye" to friends in the city are Dr. and Mrs. B. A. McLean who with their three children will leave shortly for Atlanta, Ga.

Bill's parents, Mr. and Mrs. Norval Bradley of Windsor Park, will welcome their son on his arrival later this week.

Dr. McLean will take up an appointment on the dental faculty of Emory University.

Oldsters Enjoy Party

Voted the "best party yet" was the annual Christmas get-together held recently for three branches of Edmonton's Friendship Clubs.

Alberta Avenue and Seona, newly-formed branches of Friendship Club for elderly folk, joined forces with Central, swelling number of guests in Recreation Commission building to over 400.

Two Santas, Howie Dixon and Don Schill presented a variety show under the direction of Jack Unwin kept happy oldsters chuckling.

Singings were served, at close of the show by members of Board under direction of Mrs. Roy Lamberth, chairman. Singing if Christmas carols counted out the evening.

On behalf of members, thanks were expressed to firms and organizations who have helped to make the club such a success.

FOR CHRISTMAS Mr. and Mrs. Romeo and will return to the East early in the New Year.

VANCOUVER will be the new home of Mr. and Mrs. Brian Edward Maxwell who were married recently. Bride is former Sheila Grey, daughter of Mr. and Mrs. W. L. Jackson and her husband is son of Mrs. J. McE. Maxwell and the late Mr. Maxwell.

OUT-OF-TOWN guests at the wedding of Miss Cormie and William Robert Esau yesterday included Mr. and Mrs. J. G. Corrie, Dr. John Corley and Charles Ross.

HOME to spend Christmas with her mother Mrs. W. E. Thompson and family is Miss Ruth Thompson, director of nurses at Victoria hospital, London, Ont.

INVITATION extended at recent Friendship Club Christmas party to all members to attend special show in Garmen theatre early in the New Year. Show will be sponsored by Edmonton Theatre Managers Association.

CHRISTMAS holiday will be happy one for Mr. and Mrs. Charles Grant who have welcomed home their daughter Lois.

Miss Grant is studying at the Royal Conservatory of Music in Toronto.

Posture Gives Extra Beauty

By moving two inches in the right direction, nearly any woman can improve her appearance.

Try pulling your shoulders back two inches. You will get a lifted chest line, and "labeled waistline" and you will feel freer. Tuck your stomach in two inches and place it where it belongs—under the ribs.

Now, take a look at your profile, full view, in the mirror. With that stomach kept in line, a woman looks trimmer, and usually years younger.

Perhaps your neck seems settled too low on your shoulders. Pull it up, straight and back, two inches and see a miracle performed. Your proportions will be more to your liking and your clothes will fit better.

Nothing can take the place of exercise in creating a good figure. But even women who have exercised their way to slimmest must keep in mind the two-inch rule.

Otherwise poor posture will cancel out all of the figure-improving benefits of exercise.

Duchess's Dress Is Kept for Posterity

A famous wedding dress is going to be kept for posterity.

It's the dress worn by Wallis Simpson when, in June of 1937, she married the former King of England, now the Duke of Windsor.

The dress, probably the most copied in history, will be displayed at the Metropolitan Museum of Art in New York. It was designed by Mainbocher (Mainbocher) and is the gift of the Duchess, who recently brought it from France.

The dress, never duplicated by the designer, was copied from photographs and set the trend toward the monished diaphanous and softest bosom line. Its color also is a trend. It was of "Wallis blue."

Purple Popular In Fashion-land

Purple proves to be a top success. This means a vivid purple at its best, finer, velvety and cashmere. Plum is a shade which is promoted lavishly in the Paris collections and with it is teamed deep tones of fuchsia and jet.

The Navy and black theme is used with great success in New York. Red, cool jersey street dresses are worn with navy cloches, banded with red calf belts, and large red and navy scarves in July geometric patterns accompany the ensembles.

WHY GROW OLD

Good Hair Cut Is Basis For Well-Groomed Hair

By Josephine Lowman

Hair-grooming is so important in the way we look. Stringy, wispy hair will make a woman who is otherwise carefully turned out, look frosty.

Foundation of well-groomed hair is a good haircut. It is impossible to look soignée if your hair sticks out where it shouldn't.

Glossy Short Hair Gives Glamour To Well-Groomed Gal

Keep your short hair glossy with frequent brushing, says Dolly Reed who describes a special routine for shining up your short locks and making your scalp healthy.

"Start at apex of neck; brushing upward with short, brisk strokes to stimulate circulation. Wipe brush often to remove oil and dust.

"Brush around hairline with quick, flicking strokes. The tiny tufts make your scalp tingle and remove make-up that may have strayed.

"Brush longer hair upward, lock by lock. Hold each strand through up, roll bristles firmly against scalp at start of every stroke.

"Mid-week cleanup: Park rows of bristles with tightly twisted strips of cotton dampened with cologne. Brush hair as described above.

"Wash brush often, at least once a week. Add a few drops of ammonia to soapuds and wash bristles around in the solution.

"Rinse brush thoroughly. To keep bristles strong, shake brush and stand it on handle in a glass. Place it in a sunny window to dry."

DOROTHY DIX SAYS

Girl Who Is Spoiled Has A Difficult Life Ahead

DEAR MISS DIX: Being the only child, I have been terribly spoiled by my parents.

They never controlled me, made me do anything I did not want to do. I am accustomed to having my own way about everything and I cannot stand being denied anything or thwarted. I have been embarrassed many times by not having had my faults corrected while I was young. My overbearing ways make me unpopular with boys and girls of my age and I am beginning to realize how ugly being spoiled is. Can you tell me how to correct some of my faults at home, in company, at school, at a party, or on a date?

L. C. M.
Answer: The girl who realizes that she has been spoiled and who wishes to unspoil herself has a difficult job before her and one that requires a lot of courage and determination.

Good habits can be substituted for bad ones. Faults corrected, self-control developed, and you will find it easier to give way to consideration of others. If your parents can afford it, it would be well for you to go off to school so that you can get away from their perpetual babying and pampering. It would do you a lot of good to be put in an atmosphere of criticism rather than adulation, where you would receive no consideration above the other girls and where you would have to make good on your own merits.

Do You Know?

Paint Brushes. Dried paint brushes can be cleaned by letting the brush simmer in white vinegar for 10 minutes.

Eggs won't crack during boiling if you allow them to stand in warm water for a few minutes before cooking. Another good trick is to add salt to the water while the eggs are being boiled.

GREEN PEAS

... garden-fresh and vitamin-rich, quick to get ready ... deep green for the show. Never let your 'frig get low on this Delnor indispensable.

GREEN BEANS

... delightful as a dinner vegetable ... or a festive season buffet bite. Delnor has the favorite French cut style, long, thin and stringless ... they look good ... taste good.

CORN

... "the gods sent not corn for the rich man only"—Delnor's modest cost proves Shakespeare right. As you like it ... sweet succulent golden kernels or cob ... either way, it's delicious.

MIXED VEGETABLES

... happy combination for meat courses at a moment's notice ... peas, green beans, carrots, corn kernels and Lima beans ... altogether and all dewy fresh from Delnor.

STRAWBERRIES

... Nature never made finer berries and Delnor brings them ripe, rosy beauties to you as luscious as you've ever known ... perfect for colorful desserts of the festive season.

ASPARAGUS

... a tasty tip and timely, too! Something really special for the holiday hostess. Be sure your shopping list has "Delnor Asparagus" ... young and fresh, always.

ORANGE JUICE

... "the ripened fruit is golden to the core"—Benet said it, antedating Delnor's fast-frozen magic by years. Your first sweet taste of this tree-fresh juice will win you forever.

GREEN PEAS

... garden-fresh and vitamin-rich, quick to get ready ... deep green for the show. Never let your 'frig get low on this Delnor indispensable.

Bulletin Safety Club

the attack of pillagers for the members of the Bulletin Safety Club is proving longer but we become more and more united.

We want every child to be a Safety conscious and the bigger our Club is the better. We believe your numbers can help and we are sure to suggest you do two things.

First, we want you to wear your Safety Club button—to school, to play and always. Others will see the button and you will be safe.

Secondly, we want each member to get one more member.

You believe in safety because you believe in life and you should be very proud that you do it.

Because you believe in safety it will all be done for you. I am interested in the Safety Club.

Just tell him, or her, how easy it is to make the coupon in every copy of the paper, is very simple to fill in and when it is mailed to us, a pleasant surprise enough if you leave the envelope open.

So please wear your button and send a friend to join the Safety Club. We will make your friends at our contest. There will be at least three lucky children each year when the contest is over. What about that young girl wouldn't she like to be a member of the Safety Club? And how about those scary skates and Meccano sets.

Our safety message today concerns you and those grownups who are responsible for you this Christmas-time. More than ever

you will need to be careful crossing streets with traffic in sight—don't get awful careless and don't assume to be able to cross streets well.

So don't forget the car to stop for you. Don't take a chance. Play safe and you'll be safe to play during the holidays.

I PLEDGE:

To stop and look before I start;
And cross with light on green;
To the corner of each road
Just so I may be seen.
To go out between parked cars
"Always Be Careful" is to use
A motto I will keep.

Pupils Entertain At HSA Meeting

SMOKEY LAKE, Dec. 21—Home Safety Association of Smokey Lake held its Smokey Lake High School last week with Steve Antonich acting as chairman.

Members of grades three and four entertained with a Christmas program under the direction of Anne Duvernich. The program was in the form of a Christmas play. The school was decorated with lights.

It was illustrated with charts as to how to make and cross streets safely.

Harry Kustash, superintendent of schools, led a discussion on "Cheating on the Street."

Mrs. Fred Martin and Mrs. J. Shennan were appointed to serve on a committee with the president for drafting the club programs for 1951.

MAILED and knocked to floor by another girl during robbery at Robbery, 1081-101 street, Tuesday evening, Marie Mah, daughter of grocery owner, Clara Mah, shows cuts inflicted to her face. Her assailant and two other thieves removed \$25 from till before fleeing.

Big D-3 News Expected Momentarily at Flint

At Flint new D-3 news is expected momentarily. The Duhamel mill which found 120 feet of D-3 80 feet higher than the D-2 in Flint, is now testing at 4,743 feet. This is 63 feet higher than the D-3 contact in the Flint discovery well.

A statement about what the mill is testing but unless Duhamel is trying for something in green shale this is it.

A contact of 63 feet higher than the Flint well would give the Duhamel a D-3 zone of almost 100 feet. Add to this 120 feet of D-2 and Duhamel becomes only second to Golden State in thickness of pay bit with an indicated area extent of many times the chimney like structure of Golden State.

RANKS WITH OTHERS

Flint at this stage of development certainly ranks with the Leduc and Redwater discoveries in their early days, and gives every appearance of becoming the fourth major oil field in Alberta, Turner Valley, Leduc, Redwater, Flint, in that order.

Stettler and Big Valley are not to be written out of this company, but there has been nothing as spectacular as Duhamel since Imperial Oil hit Redwater oil in 1945.

The Texas, McGill team has placed Texas South Central on production as biggest producer in the southeast corner of Leduc, and one of the largest D-2 producers in the entire Leduc-Woodfield field, and has also staked a southeast extension to Redwater.

The well, which previously rated an estimated producing capacity of 100 barrels per hour, drilled that figure to establish an initial potential of 100 barrels an hour or 2,000 per day during a 12-hour test.

The well found the top of the D-3 at 5,326, drilling to a total depth of 5,345 feet, and setting casing at 5,331 feet.

WEST OFFSET

Stettler Leduc No. 2 is a west offset to No. 1, which rated an initial potential of 212 barrels per hour, and an east offset to No. 2, which is drilling at 3,556.

A fourth site, South Leduc No. 4, was recently drilled a quarter mile west of No. 3. The four sites are on two quarter sections of Crown Reserve purchased by Texas for \$450,000. Texas holds two-thirds interest in the wells, while McGill Promissory holds the remaining one-third interest.

In the Redwater field, the Texas, McGill team have staked Redwater No. 4, the most southeasterly site in the Redwater field, and have rated an initial potential of 1,148 barrels per day on a four hour test of No. 4. A quarter mile west of No. 4, a quarter mile west of the new location.

National Acheson No. 1 threatens to reduce the southern Stony Plain section of the Acheson Stony D-2 reef to an insignificant stratum. The well was pretty well written off by National when it hit a very low Viking sand.

Tuesday morning it was living up to its reputation driving 100 Red Beds at 4,770 feet, within one foot of the D-2 contact at saturated Stony Plain. Stony got only around ten feet of oil in the pay zone.

40 FEET LOWER

National officials said they did not expect to start coring for the D-2 until 4,800 feet. If the contact came in even then it would be 40 feet lower than Stony Plain.

A decided dropping of beds is indicated. Well No. 1 has been reported making considerable water on the east edge to sound reef. The National well is separated from Wild by only two locations. The southern part of this sound reef appears now as a very thin north-south stringer, and at

Livestock

EDMONTON, Dec. 21.—Total receipts: cattle, 271; calves, 49; hogs, 482; sheep, 33.

Receipts of light receipts and all prices demand combined to hold all prices steady at Thursday's cattle auction. Actual supplies were not sufficient in the upper classes to test trade, but all offerings moved readily under brisk bidding. Invaluable quality cattle were few and far between.

Good to choice butcher weights bringing 20.00 to 28.50; holders of this stock 25.00 to 27.00. Medium to good weights brought 18.00 to 20.00, old singles reaching 21.00. Good weighty heifers brought 20.00 to 21.00, choice handweights 31.00 to 33.00, old fancies reaching 34.00.

Hogs were steady, grade A for shipment 20.00, some 19.00 and 18.50. Live weight. Good handweight lambs ranging from 20.00 to 27.00 off truck, and 27.00 to 28.50 off car.

Note—Dec. 25 Christmas Day and Dec. 26, Boxing Day, stockyards will be closed for trading, but the usual facilities will be provided for the handling of consignments.
